**EVENT SUMMARY REPORT**

|  |   |
|--|---|
| <b>Nature of the Event</b><br>(Workshop / FDP / Seminar / Guest Lecture / Talk GD/ Training Program / Quiz / Presentation) | VISIT TO SURVEY OF INDIA, UPPAL   |
| <b>Title / Theme of the Event</b>  | NATIONAL SCIENCE DAY CELEBRATIONS   |
| <b>Details of the Coordinator</b>  | S.P.Raju, Assistant Professor, Civil Engineering  |
| <b>Date on which Event is held</b>   | 28-05-2019  |
| <b>Details of the Speaker / Guest Name</b><br><br><b>Organization</b>  | RAVINDRA KUMAR<br>Deputy Surveyor General (Tech.)<br>For additional Surveyor General<br><br>SURVEY OF INDIA, UPPAL  |
| <b>Target Audience</b><br>(Teaching Faculty / Non-Teaching Faculty / Students)   | Faculty-5<br>Students-70  |
| <b>Summary of the Event</b>  | Applications involved in Geo-Reference of village maps for land classification and distribution in different areas. GPS survey, Geo-Tagging & Web based GIS applications with Assets mapping. A brief explanation by Resource persons on Stereo plotter, Clinometer and Theodolites of Outdated versions and Digital levelling instruments, GPS instrument, Total Station of advanced technology which we were using present days. Students have participated in Quiz competition and honored with small gifts. |

|   |          |   |
|---|----------|---|
| <b>POs attained with this Event</b><br>(number and description) | <b>a</b> | <b>Apply knowledge of mathematics, science and fundamentals of Civil engineering.</b>             |
|   | <b>b</b> | <b>Analyse problem and interpret the data.</b>  |
|   | <b>e</b> | <b>Use modern engineering tools such as CAD and GIS for the Civil engineering practice.</b>       |
|   | <b>f</b> | <b>Understand the impact of engineering solutions in a global, economic and societal context.</b> |
|   | <b>h</b> | <b>Understanding of professional and ethical responsibility.</b>                                  |
|   | <b>j</b> | <b>Communicate effectively with engineering community and society.</b>                            |
|   | <b>l</b> | <b>Recognize the need for and an ability to engage in life-long learning.</b>                     |

|  |   |

# **REPORT ON FIELD TRIP**

**To**

**T-Hub (Telangana Hub, IIIT-Hyderabad Campus, Gachibowli, Hyderabad, Telangana)**

## **Aim of the Field trip:**

As part of the Internship, field trip is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim of Field Trip is to provide an exposure to students about practical working environment .They also provide students a good opportunity to gain full awareness about industrial practices. Through Field Trip students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an Field Trip.

## **Details of the Visit :**

Gokaraju Rangaraju Institute of Engineering and Technology has conducted a Field Trip to CSE Students to T-Hub, Gachibowli on 19-05-2019 .Total of 308 students accompanied by 2 faculty utilized this opportunity. The faculty who have accompanied students were 1. M.V.Sreekanth Reddy, Assistant Prof. 2.V Sivaramakrishna Reddy, Assistant Prof.

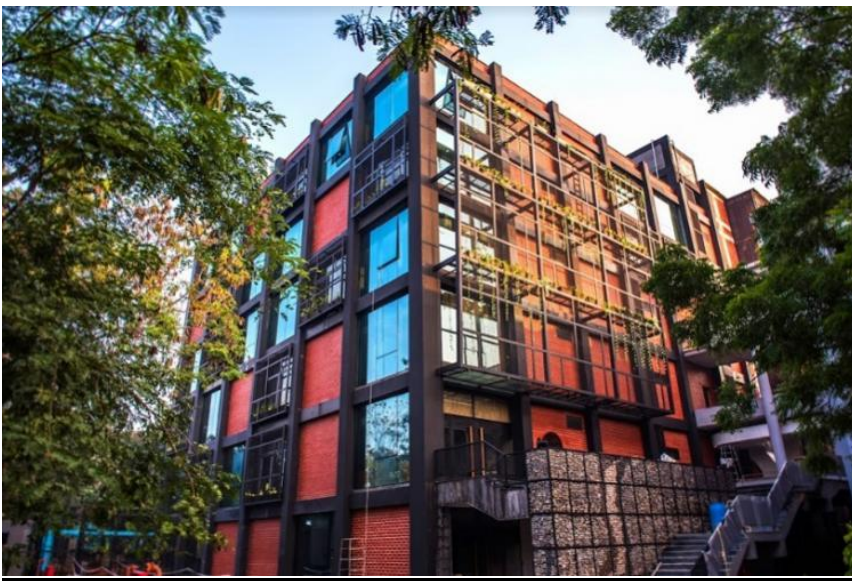

## **About the Company:**

T-Hub leads India's pioneering innovation ecosystem that powers next-generation products and new business models. Incorporated in 2015, it has provided over 1100+ national and international startups with access to better technology, talent, mentors, customers, corporates, investors and government agencies.

The Government of Telangana has taken the path of "Innovation and Entrepreneurship" to make Telangana the most preferred investment destination in India. As a part of this effort the Government is collaborating with industry and premier educational institutes to set up T-Hub – The largest facility for Innovation & Entrepreneurship in the country.

The Government intends to bank on the strong talent pool in the state to nurture the next generation of Entrepreneurs. To aid tech start-ups that are in need of financial support, the state is planning to set up a \$ 100 mn fund. Also, the government has conceptualized and initiated TASK (Telangana Academy of Skill and Knowledge) to equip graduates with required skills to reach their goals.

Also, the Government of Telangana shall collaborate with Central Government to further propel entrepreneurial activity in the state by providing additional incentives. With excellent infrastructure – both physical and regulatory, financial support, a truly world class city, the Government shall strive towards making Hyderabad the innovation capital of the country.

## **REPORT ON FIELD TRIP**

**To**

**INCOIS(Indian National Centre for Ocean Information Services.), Pragathi Nagar**

### **Aim of the Field trip:**

Field Trip is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim of Field Trip is to provide an exposure to students about practical working environment .They also provide students a good opportunity to gain full awareness about industrial practices. Through Field Trip students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an Field Trip.

### **Details of the Visit :**

Gokaraju Rangaraju Institute of Engineering and Technology has conducted an Field Trip to ECE Students to INCOIS, Pragathinagar on 18-05-2019 .Total of 80 students accompanied by 2 faculty utilised this opportunity. The faculty who have accompanied students were 1. D. Suguna Kumari Assistant Prof, 2.A. kapil Kumar Assistant Prof.

### **About the Company:**

Indian National Center for Ocean Information Services (INCOIS) is an autonomous organization of the Government of India, under the Ministry of Earth Sciences, located in Pragathi Nagar, Hyderabad. ESSO-INCOIS was established as an autonomous body in 1999 under the Ministry of Earth Sciences (MoES) and is a unit of the Earth System Science Organization (ESSO). ESSO- INCOIS is mandated to provide the best possible ocean information and advisory services to society, industry, government agencies and the scientific community through sustained ocean observations and constant improvements through systematic and focussed research.

**(Autonomous)**

**Department of Electrical & Electronics Engineering**

**Report on Industrial Visit**

**Date** : 6 February 19  
**Ref** : GRIET/EEE/1/G/18-19  
**Venue** : ISRO, NRSC, Jeedimetla, Hyderabad.  
**Time** : 8:30 AM – 12 PM  
**Attended by:** UG Students [99]; Faculty [02]

**Report by:** Electrical Engineers Club, Documentation Team.

# GOKARAJU RANGARAJU

## INSTITUTE OF ENGINEERING AND TECHNOLOGY

**(Autonomous)**

A video was shown about the ISRO success in space research and about the latest technology used by ISRO and about Ground stations.

They projected video of ISRO's recent successes like launch of 104 satellites by ISRO, testing of crew escape system, launch of cartosat series 2, launch of NOVASAR satellite, etc. The video ended at 10:30 am, later we went to see few models they exhibited. The models exhibited were Aryabhata satellite, Bhaskara satellite, SLV (Satellite Launch Vehicle), Ground antenna system, Mangalyan, Chandrayan, etc... Later there were displays of achievements and research done by NRSC like in mapping, 3D mapping, weather forecasting, metrology, detection of minerals, etc.

Starting with the video about the ISRO and its missions, the contribution done by NRSC in making the missions possible, showing the different ground stations also about the site they are using to download the data from satellite.

After that we were taken to the different satellites models like Aryabhata, Bhaskara, Antenna system model, Mangalyan, Chandrayan and explained about construction, significance also their functions.

After that we were taken to the photo exhibition there we were shown about the photos taken by the satellites during different situations and showing about the different geographical and climatic conditions and the technologies used for taking different photos in different climatic and other conditions.

The trip in the form of internship to the students was helpful to know more achievements achieved by ISRO.

## **T-Hub (Telangana Hub, IIIT-Hyderabad Campus, Gachibowli, Hyderabad, Telangana)**

### **Aim of the Field trip:**

T-Hub is a unique public/private partnership between the government of Telangana, 3 of India's premier academic institutes (IIIT-H, ISB & NALSAR) and key private sector leaders. It stands at the intersection of the start-up, academic, corporate, research and government sectors. Attract the best start-ups and entrepreneur organizations from across the world to Hyderabad. Equip innovators and organizations alike with the entrepreneurship skills required to succeed, using methodologies that transcend traditional learning. Educate & promote all entrepreneurship related stakeholders in Hyderabad, including start-ups.

Field Trip is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim of Field Trip is to provide an exposure to students about practical working environment .They also provide students a good opportunity to gain full awareness about industrial practices. Through Field Trip students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical, as part of the internship Students of It have Visited T-hub .

### **About the Company:**

T-Hub is a unique public/private partnership between the government of Telangana, 3 of India's premier academic institutes (IIIT-H, ISB & NALSAR) and key private sector leaders. It stands at the intersection of the start-up, academic, corporate, research and government sectors. Attract the best start-ups and entrepreneur organizations from across the world to Hyderabad. Equip innovators and organizations alike with the entrepreneurship skills required to succeed, using methodologies that transcend traditional learning. Educate & promote all entrepreneurship related stakeholders in Hyderabad, including start-ups

T-Hub leads India's pioneering innovation ecosystem that powers next-generation products and new business models. Incorporated in 2015, it has provided over 1100+ national and international startups with access to better

technology, talent, mentors, customers, corporates, investors and government agencies.

The Government of Telangana has taken the path of “Innovation and Entrepreneurship” to make Telangana the most preferred investment destination in India. As a part of this effort the Government is collaborating with industry and premier educational institutes to set up T-Hub – The largest facility for Innovation & Entrepreneurship in the country.

### Photographs of the event

The Government intends to bank on the strong talent pool in the state to nurture the next generation of Entrepreneurs. To aid tech start-ups that are in need of financial support, the state is planning to set up a \$ 100 mn fund. Also, the government has conceptualized and initiated TASK (Telangana Academy of Skill and Knowledge) to equip graduates with required skills to reach their goals.

## **Report on metro trip**

As part of the internship, a batch of 106 students out of 120 students of Mechanical Engineering of I. BTech II sem went to a field trip to visit metro station @ miyapur on 30 march 2019 to enrich the students knowledge.

As part of the internship trip, students started from GRIET at 10 Am through college buses and reached miyapur metro station situated at a distance of 2 Km by 10.20 am. All of us have observed the construction of pillars with reinforcement technique which is the wonder of civil engineering. Shared the knowledge of making the pillars somewhere else and joining here as per requirement. Few students took the lift and few others went through escalators to reach the above flour where the tickets issuing will be done. They studied the functioning of ticket vending machine, entry to the station, working of the elevators; train on the track, changing the levels as it the starting station, function of the engine and so on.

They also observed the sensing machines to check the luggage, frequency of the travelers and trains scheduled. spent 2 hrs in the station. Have interacted with the station manager and observed the function of metro rail.

It was the great opportunity for the students to know the real time experience and thanks to the metro authorities to permit the students and giving the opportunity for the students to visit the site.

The following students were present to the trip.

GokarajuRangaraju Institute of Engineering and Technology (Autonomous)

students undertaking field projects (ME) Branch
