Summary of the Event	<p>National Unity Day is celebrated enthusiastically by Grietians to mark the Birth Anniversary of Sardar Vallabh Bhai Patel on 31 October. The main theme of National Unity Day 2019 was to bring the nation together; united in times of strife and rising extremism. The day honours Sardar Vallabhbhai Patel, who had played a significant role during India's freedom struggle and later during the integration of all the princely states into the Indian Union. An oath is taken by the students in the classes on this occasion to express their solidarity to the nation regardless of their religion and region. Students participated with a lot of zeal and attention, and showed concern towards a unified India. In their presentations most of the students stressed the role of media in national integration. This is the need of the hour to stigmatize and root out the practice of corruption and to promote ethical values of integrity of the nation. They expressed their concern about the misuse of media during the communal riots. They highlighted the need for responsible use of media and social networking in their speeches.</p>
